

# LaTeX Day 2 — Brain Dump

Find the Bug!

---

## Instructions

Each question shows a snippet of LaTeX with an error.

**Your task:** Circle the error and write how the line should be fixed.

---

1)

```
\documentclass[12pt,letterpaper{article}  
  
\begin{document}  
Hello!  
\end{document}
```

2)

```
\documentclass{article}  
\title{LaTeX Day 2 - Brain Dump}  
\author{Student Name}  
  
\maketitle  
  
\begin{document}  
This is the first paragraph.  
\end{document}
```

**3)**

```
\documentclass{article}

\begin{document}
Today is \today.
\end{document}
```

**4)**

```
\documentclass{article}

\begin{document}
\begin{figure}
\includegraphics[width=0.5\textwidth]{atom.png}
\caption{An atom}
\end{figure}
\end{document}
```

**5)**

```
\documentclass{article}

\begin{document}
Hello world!
```
